5. Liability of the Company shall be limited to the EMI amount mentioned in the schedule or the actual EMI prevailing at the time of loss whichever is lower. Also, in no case, Company shall pay an amount higher than the actual amount of loan outstanding against the insured vehicle.

7. Tyre Protect

(UIN-IRDAN150RP0004V01201819/A0002V01202021)

Scope of Cover:

In consideration of additional premium paid by the Insured as mentioned in the policy schedule, it is hereby understood and agreed, subject to the terms, conditions, exclusions and limitations, that the Company will cover expenses for repair and/or replacement as may be required arising out of accidental loss or damage to tyres and tubes of the insured vehicle due to-

- a. Impact cuts, bursts
- b. Impact bulging of side wall excluding manufacturing defect, chemical or atmospheric damages.
- c. Flattening of Tyre due to Hard Braking.

Company's maximum liability will be computed on the basis of unused tread depth of tyre(s) –

Unused Tread Depth of the Tyre(s) at the Time of Loss	Admissible Claim Amount
<3 mm	Nil
>= 3 to <5 mm	50% of the cost of new tyre(s)
>= 5 to <6.5 mm	75% of the cost of new tyre(s)
>= 6.5 to <7mm	85% of the cost of new tyre(s)
>=7mm	100% of the cost of new tyre(s)

Special Conditions:

1. Unused Tread depth will be measured at the center of the tread. 4 measurements at 4 different places will be taken for the purpose of arriving at average tread depth which will be the basis of payment under the coverage.
2. In cases of tyres with original tread of more than 8 mm, the scale of admissible claim amount mentioned in the above table shall be applied proportionately
3. Replacement of tyre will be allowed for same make and specification and in case of non-availability of the same make or specification leading to replacement with tyre/tube of higher specification; company will not be liable for betterment charges.
4. If damage to tyre and tube is due to the accidental damage to the insured vehicle covered under “Own Damage” section of the Policy, our liability under this cover will be restricted to the difference between admissible claim amount under the add on cover based on Unused Tread Depth of the Tyre(s) at the time of loss as mentioned in above table and the liability of the company limited to 50% of the cost of replacement of Tyres and Tubes as stated under the “Own Damage” section of Motor Insurance Policy. In consequence whereof the exclusion appearing in the Private Car Policy Terms and Conditions which reads as “damage to tyres and tubes unless the vehicle is damaged at the same time in which case the liability of the company shall be limited to 50% of cost of replacement” stands deleted.
5. In case of any tyre replacement during the Policy Period, due to any reason mentioned cover will not be applicable unless it is informed and endorsed in the Policy.
6. Insured should take reasonable care to avoid loss or damage to the tyre/tube. Insured should not use the vehicle with damaged tyre/tube leading to further damage to tube/tyre/suspension.

7. All claims must be reported within 3 working days of damage.
8. Maximum 2 instances of admissible claims shall be eligible during the policy period.

Special exclusions:

Definitions:

For the purpose of this add-on,

- **Battery** means an electric-vehicle battery (EVB) (also known as a traction battery) which is a rechargeable battery used to power the electric motors of a battery electric vehicle (BEV) or hybrid electric vehicle (HEV). The energy storage system in electric cars comes in the form of a battery. Electric vehicle batteries are typically lithium-ion batteries and differ from starting, lighting, and ignition (SLI) batteries. Lithium-ion batteries have a high power-to-weight ratio, high energy efficiency and good high-temperature performance. In practice, this means that the batteries hold a lot of energy for their weight, which is vital for electric cars – less weight means the car can travel further on a single charge.
- **Battery Electric Vehicle (BEV)** means an electric vehicle, also referred to as an electric drive vehicle, is a vehicle which uses one or more electric motors for propulsion. It is an alternative fuel automobile that uses electric motors and motor controllers for propulsion, in place of more common propulsion methods such as the internal combustion engine (ICE). Electricity can be used as a transportation fuel to power battery electric vehicles (BEVs).
- **Hybrid Electric Vehicle (HEV)** means a vehicle, powered by traditional petrol or diesel engine combined with an electric motor that runs on a hybrid battery. These cars can switch between the Internal Combustion Engine (ICE) and the electric motor or draw power from both sources depending upon the driving scenario.
- **Consequential Loss** would mean the loss / damage more specifically expressed hereinabove caused to an insured vehicle not arising directly from an insured peril but as a direct consequence to the same.
- **Drive Motor/electric Motor** is a motor fitted on the axles that converts electric energy into mechanical energy.
- **HEV (Hybrid electric vehicle) system** contains of Electric motor, DC/DC step down converter, electric generator & power electronics controller

The insured shall have an option to pay additional premium and get such coverage extended to additional number of kilometers under “Own Damage section” of the base Policy. In no case the Company shall be responsible to extend the coverage beyond the kilometers declared by the insured unless such additional premium as necessary is received by the Company.

A maximum of 1200 Kilometers remaining unused as at the expiry of the base policy will be carry forwarded to the renewed policy provided the policy is renewed within 45 days from expiry .

The insured shall be eligible for **additional 500 Kilometers** at the time of renewal subject to no claim in the preceding year.

In case the Insured Person is **not using the insured vehicle** for a continuous period of minimum 7 days during the policy tenure, the insured person shall be eligible for “Redeem points” as per below table and the benefits of the same shall be redeemable as discount at the time of renewal of the policy, subject to below terms and conditions:

Total Unused	Redeem Points	Discount on Renewal
15	2	1%
30	4	2%
45	6	3%
60	8	4%
>60	10	5%

- During such period of non-usage of insured vehicle, the Own Damage Cover except Fire & Theft coverage under the Policy will be inactive as per the declaration of Insured.
- This benefit can be availed maximum 2 times in a Policy tenure.

An additional 150 grace Kilometers would be offered to the insured after exhaustion of `maximum Kilometers covered under the policy. In the event of any claim arising after the exhaustion of the kilometers opted as per plan but before exhaustion of grace 150 kms, the Claim shall be assessed subject to payment of additional premium and other general terms & conditions of the policy.

Actual kilometer usage during the policy tenure shall be calculated as the difference between the kilometer reading as per the odometer of the vehicle on the date of loss and the kilometer reading as per the odometer of the vehicle at inception of the policy.

Conditions:

- a. Odometer reading will be required at the time of Policy Issuance.
- b. The Own damage cover of the base policy will be available upto the kilometers opted, or the Policy Period end date of the base policy as mentioned in the Policy Schedule, whichever is earlier. The maximum Kilometers limitation is not applicable in case of “Theft of entire vehicle” claim.
- c. Claim must be intimated to the Company within 24 hours of occurrence of Loss.
- d. Any act of tampering with the odometer readings / Odometer device, or any act which renders such devices non-functional would make the coverage under the policy in-effective and may lead to repudiation of claim and cancellation of own damage section under the policy with forfeit of premium. If the device is rendered non-functional or malfunctioning is observed due to any defect in the device (caused by wear & tear or manufacturing defect), the Insured should bring the same to the notice of Insurer immediately.
- e. In case of transfer of ownership of insured vehicle, the New Owner would be eligible for the un-used number of Kilometers left in the plan opted under the policy. Additional premium towards NCB and other charges may be applicable as per the policy.

Exclusions:

The company shall not be liable for any claims under this section directly or indirectly arising out of:

- a. Loss or damage to the vehicle if the vehicle has exceeded the kilometers as per plan opted and mentioned in the Policy Schedule
- b. Loss or damage attributable to manufacturing defect or design or unauthorized alterations.
- c. Willful act or Willful negligence of the Insured or Insured's family or any other person authorized by the Insured.
- d. Exclusions as applicable under Own Damage Section of the base Policy will also be applicable to this Add-on Cover:

The insured shall have the option to opt from below plans as per insured's requirement:

Plan	Plans Maximum Kilometers Covered
1	3000
2	5000
3	7500
4	9000
5	12000
6	15000

Cancellation:

Cancellation conditions of the add-on cover will be identical to the base policy to which the add-on cover is attached.

Subject otherwise to all other terms conditions and exclusions of the Private Car policy.
